Subject: O'Donnell Park Toilet Block Structural Repairs

To CPM,

Wentworth Council would like to express our gratitude and appreciation to all CPM staff and contractors for the exceptional outcome with the O'Donnell Park toilet block structural repairs.

The professional approach from an administrative, operational capacity and completion standard was refreshing to see and allowed for a seamless completion to the project.

Considering the extent of damage and the importance of the site from a public patronage stance, thank you for facilitating a timely reopening of the facility.

Regards.

Chris James
