TO WHOM IT MAY CONCERN

CPM Building Contractors have been associated with Trinity Lutheran College for over ten years building various classrooms etc.

In 2009 CPM were the winning tender for our recent Multipurpose Hall and Canteen which included an industrial kitchen.

CPM management and staff have been very reliable, accommodating, kept us informed throughout the building process and completed the work on schedule within budget.

I have no hesitation in recommending them as builders for forthcoming projects.

Andrew Leske
Principal
